

CURRICULUM VITAE

François LANGOT

Personal data

Date of Birth: September 14, 1965 in Le Mans

Family status: Married, 2 children

Professional status: Full-professor ("Classe exceptionnelle", "2ème échelon")

Education

- September 1989 : **Master in Mathematical Economics and Applied Macroeconomics**, *University of Paris I - Panthéon - Sorbonne*, Paris, *Grade: Higher Honors*.
- January 1994 : **Ph-D in Economics**, *University of Paris I - Panthéon-Sorbonne*, Paris, *Grade: Higher Honors*.
Supervisor: Pierre-Yves Hénin, Professor, University of Paris I.
Ph-D committee: A. d'Autume, Professor, University of Paris I, G. Ballot, Professor, University of Paris II, M. Hammour, Professor, MIT. Boston, H. Sneessens, Professor, IRES University of Louvain, A. Trognon, CREST-INSEE.
- May 1995 : **Professional thesis allowing me to supervise PhD students**, *University of Paris I - Panthéon-Sorbonne*, Paris. *Supervisor*: Pierre-Yves Hénin, Professor, University of Paris I.
Committee: J.P. Bénassy, CNRS, ENS-Paris, P. Cahuc, Professor, University of Paris I, P.M. Larnac, Professor, University of Paris IX-Dauphine, C. Wyplosz, Professor, Ecole de Hautes Etudes en Sciences Sociales de Paris.
- June 1996 : **"Agrégation des Universités en Sciences Economiques"**, *Ministry of Education and Research*, France, *Grade: Full-Professor*.

Present Positions

- Since 1996 **Full-Professor**, *Le Mans University*, France. <http://www.univ-lemans.fr>
- Since 2018 **Senior Member** of the *Institut Universitaire de France*, France. <https://www.iufrance.fr>
- Since 2006 **Associate Professor**, *Paris School of Economics (PSE)*, France. <http://www.parisschoolofeconomics.eu>
- Since 2007 **Research fellow at IZA, the Institute of Labor Economics**, Bonn, Germany. <https://www.iza.org>
- Since 2016 **Head of the Macroeconomic Observatory**, *Cepremap (Ecole Normale Supérieure-Paris)*, France. <http://obsmacro.cepremap.fr>
The Macroeconomic Observatory is composed by 15 researchers on two programs: the developments of (i) the DYANRE software and (ii) the DBnomics platform. It also provides policy analysis for other Institutions
- Since 2014 **Deputy Director of IRA (Co-Founder)**, *Le Mans University*, France. <http://ira.univ-lemans.fr>
IRA (Institute of Risk and Insurance) is an interdisciplinary institute (economic, mathematics and law) that regroups 3 research centers of the Le Mans University (60 researchers, 20 PhD students, 4 Master programs and 3 bachelor programs) and takes care of the link with the firms of the sector.

Past Positions

2002-2019 **Head of the GAINS**, *Le Mans University*, France <http://www.univ-lemans.fr/gains>.

The GAINS is the research center in economics and management of the Le Mans University (40 researchers, 10 PhD students).

2012-2015 **Scientific adviser** in the department of the structural reforms, *Banque de France*, Paris

2009-2010 **Research fellow at the University of Paris I**

2006 **Co-Founder and research fellow at TEPP**, CNRS, France. <http://www.tepp.eu>

TEPP is an interdisciplinary CNRS organization (economic, management and sociology) that regroups 12 research centers from the West of the France to Paris (200 researchers, 120 PhD students and 40 associate researchers)

2008-2009 **Research fellow at ERMES (became CRED)**, *University of Paris II*

1996-2017 **Director of the Doctoral School** (Law, Economics, Management, Geography, Sociology), *Le Mans University*

1996-2006 **Director the Department of Economics and Business**, *Le Mans University*

1996-2010 **Research fellow at CEPREMAP**, *Ecole Normale Supérieure de Paris*

1994-1996 **Assistant-Professor**, *University of Paris IX-Dauphine*.

1989-1994 **Research fellow at MAD**, *University of Paris I*.

Awards and Grants as Principal Investigator (for the grants, the dates correspond to the end of the contract)

1. Since 1999, awards for scientific excellence, French Ministry of the Higher Education
2. 2018-2022 "Saving and Insurance against New Risks" (project acronym: PANORisk), Regional Grant for Research (Region of "Pays de la Loire"). This project regroups the Universities of Le Mans, Angers, Nantes and the business schools Audencia and ESSCA.
3. 2017: "Taxes and jobs in a globalised economy", with International Labor Organization and World Bank.
4. 2015: "Aggregate Employment, job polarization and Inequalities: The impact of structural reforms" with the OECD.
5. 2015: "Adjustments to Shocks and Labor Market Dynamics in Egypt", Economic Research Forum, Cairo.

6. 2015: "Patterns of development and territorial dynamics", Regional Grant for Research (Region of "Pays de la Loire").
7. 2010: "Growth, unemployment and labor market institutions in European Regions", Regional Grant for Research (Region of "Pays de la Loire"). This project regroups the University of Le Mans and the University of Nantes.
8. 2007: "Tax/benefit systems and growth potential of the EU" (acronym: TAXBEN). Coordinator for the CEPREMAP. European Grant for Research (FP7), Sixth framework program priority 8 Topic 3.1. Task 4: "Impacts of tax/benefit levels for the pursuit of sustainable development, employment, pensions, social cohesion" This Project regroups the "Centre for European Policy Studies" (CEPS, Belgium), the "The Research Institute of the Finnish Economy" (ETLA, Finland), the "Centre d' Etudes Prospectives et d' Information Internationales" (CEPII, France), the "Centre d' Etudes Prospectives d'Economie Mathématique" (CEPREMAP, France), the "Netherlands Bureau for Economic Policy Analysis" (CPB, The Netherlands), the "Konjunkturinstitutet" (NIER, Sweden), and the "Center for Policy Studies" (PRAXIS, Estonia).
9. 2007: "Minimum income and unemployment" Regional Grant for Research (Region of "Pays de la Loire").
10. 2004: "On the interaction between retirement age and low employment rate of the seniors in France", Prime Ministry's Office.
11. 2003: "Low employment rate of the seniors: How to reform the social security system by introducing incentive schemes for delaying retirement age?", Prime Ministry's Office.
12. 2002: "Minimum wage and social minimum incomes: the impact on the wage offer distribution", French Employment Ministry.
13. 2001: "An evaluation of the social security reform in France." Prime Ministry's Office.
14. 2001: "On the redistributive impacts of the French social security system", French Finance Ministry.
15. 1999: "A macroeconomic model with nominal and real rigidities: an estimation on French data", Prime Ministry's Office.
16. 1998: "A dynamic model with real rigidities: an estimation on French data", Prime Ministry's Office.

Editor and Referee

- Since 2010: Editor of the special issues in the "Revue Française d'Economie" devoted to Winter-School "Aussois"
- 2008-2013: Editor of the review "Annals of Economics and Statistics"
With approximately 60-70 papers by year, I have managed 400 submissions during these 6 years. I have also work on the transition toward English of the review and the change of the publisher.
- Referee for the following reviews:
American Economic Review, American Economic Journal; Macroeconomics, Quantitative Economics, The Economic Journal, Journal of Public Economics, Journal of European Economic Association, Journal of Applied Econometrics, European Economic Review, Journal of Economic Dynamics and Control, Journal of Economic Inequalities, Journal of Mathematical Social Sciences, Journal of Macroeconomics, Labour Economics, Economic Modeling, Economic Bulletin, Louvain Economic Review, German Economic review, Annales d'Economie et Statistique, Economie Appliquée, Economie et Prévision, Economie et Statistiques, Revue Economique, Revue d'Economie Politique, Revue Française d'Economie, Economie Appliquée.

Conference Organization and Committee

- March 2022, 2020, 2019, 2018, 2017, 2016, 2015, 2014, February 2013, March 2012, 2011 & 2010 : Winter-school "Evaluation of the Labor market policies", Aussois, with P. Petit
16 short courses were organized for 40 Ph-D students and 20 academic researchers in Economics.
- October 2019: workshop on "Health and Heterogeneity", Lyon, with T. Sopraseuth and J. Albertini. The speakers are E. French, M. De Nardi, G. Jolivet, P. Saint-Amour, R. Fonseca,...
- June 2019 & September 2017 Summer-school "Modeling New Risks in Finance and Insurance", Nantes, with S. Blondel, A. Charles, O. Darné, L. Denis, X. Fairise and W. Louhichi
- June 2016 : "Risks, uncertainty and models for Economy and Finance", Le Mans, with L. Denis (Pr in Mathematics), 16 papers were presented during this conference. The plenary sessions: N. Bouleau and R. Wouters.
- December 2015 : "Health and Inequalities An International perspective", .
12 papers were presented during this conference. The speakers are E. French, P.C. Michaud, A. van Soest, P. Saint-Amour, R. Fonseca,...
- mars 2012 : "Macroeconomic Modeling in Times of Crisis", Banque de France, with M. Juillard, J.G Sahuc, X. Ragot, T. Zha and J.P. Nicolai,
20 papers presented. The speakers are T. Sargent, L.Christiano, V. Chari, J. Gali, O.J. Blanchard...
- March 2010 : T2M Conference (Theory and Methods in Macroeconomics), Le Mans, with M. Juillard and E. Moreno-Galbis,
50 papers were presented during this conference. The keynoted speakers were P. Beaudry (Oxford University), D. de la Croix (University of Louvain-la-Neuve) and R. Dos Santos (University of Strasbourg).
- November 2008: Labor market sessions for the ECO-TREND 2008 conference, University of Constantin Brancusi, with S. Ménard,
8 papers were presented during 2 sessions of this annual conference.
- January 2008: "Labor market outcomes: a transatlantic perspective", Paris, with A. Chéron,

40 papers were presented during this conference. The scientific committee is composed by O.J. Blanchard (MIT), J.O Hairault (PSE-University of Paris 1) and R. Rogerson (Arizona State University). Among the participants: E. Prescott (Nobel Prize), R. Shimer, V. Rios Rull, etc... This conference was financed by the ADRES. A selection of the presented papers were published in a special issue of the journal "Annales d'Economie et Statistiques". I was the Editor of this volume.

- June, 2006 "Growth and Unemployment in Europe", This conference regrouped all the participants of the TAXBEN project and Katri Kosonen, Jean-Pierre De Laet, Beata Heimann and Emanuela Tassa from *DG Taxud, EU Commission*, Ray Barrell, NIESR and Jan In't Veld from *DG ECFIN, EU Commission* and Benjamin Carton from *French Ministry of Finance*.
- June 2003 : Annual meeting of the *Society of Economic Dynamics*, with J.O. Hairault and H. Kempf, 200 papers were presented during this conference. The Plenary Speakers were Jeremy Greenwood (University of Rochester), George Mailath (University of Pennsylvania) and Jean Tirole (IDEI-Toulouse and MIT). The *Society of Economic Dynamics* regroups a large number of macroeconomists. The presidents of this society have been successively T. Sargent, E. Prescott, D. Mortensen, T. Cooley and B. Jovanovic at the date of this conference.
- 1998-2010: Program committee of the annual meeting of T2M (Theory and Methods in Macroeconomics) conference
- 2006-2018: Program committee of the TEPP annual conference.

Editor and Referee

- 2008-2013: Editor of the review "Annals of Economics and Statistics" With approximately 60-70 papers by year, I have managed 400 submissions during these 6 years. I have also work on the transition toward English of the review and the change of the publisher.
- 2010-2020: Editor of the special issues in the "Revue Française d'Economie" devoted to Winter-School "Aussois"
- Referee for the following reviews:
American Economic Review, American Economic Journal; Macroeconomics, Quantitative Economics, The Economic Journal, Journal of Public Economics, Journal of European Economic Association, Journal of Applied Econometrics, European Economic Review, Journal of Economic Dynamics and Control, Journal of Economic Inequalities, Journal of Mathematical Social Sciences, Journal of Macroeconomics, Labour Economics, Economic Modeling, Economic Bulletin, Louvain Economic Review, German Economic Review, Annales d'Economie et Statistique, Economie Appliquée, Economie et Prévision, Economie et Statistiques, Revue Economique, Revue d'Economie Politique, Revue Française d'Economie, Economie Appliquée.

PhD Students : 17

40 PhD committees : In average, I have been member of 2 PhD committees per year since the begin of my career.

Conferences (not exhaustive)

NBER Summer Institute	ASSA Annual meeting	Society of Economic Dynamics	Society of Labor Economics
Summer Meeting of the North American Econometric Society	Econometric Society European Meeting	International Conference on Computing Economic and Finance	Econometric Society Winter Meeting
European Economic Association	European Association of Labor Economy meeting	Search and Matching conferences and workshops	Theories and Methods in Macroeconomics
Association Française de Sciences Economiques	Société Canadienne de Sciences Economiques		

Invitations in foreign universities

2022	HEC Montréal	UQAM (Montréal)		
2021	HEC Montréal	UQAM (Montréal)		
2020	HEC Montréal	UQAM (Montréal)		
2019	HEC Montréal	UQAM (Montréal)	University of Bristol	
2018	HEC Montréal	UQAM (Montréal)		
2017	HEC Montréal	UQAM (Montréal)	University of Bristol	University of Neuchâtel
2015	Universidad Carlos III (Madrid)	RAND (Los Angeles)	UQAM (Montreal)	
2014	ERF in Cairo	University of Bristol		
2013	University of Adelaide			
2009	UBC (Vancouver)	Boston University	Boston College	UQAM (Montreal)
	University of Luxembourg	University of Malaga		

2008	University of Louvain-la-Neuve	University of Constantin Brancusi (Romania)		
2004	Higher School of Economics (Moscow)			
1997	Institute of Economic Studies, Charles University (Prague)	FEDEA (Madrid)		
1994	Institute of Economic Studies, Charles University (Prague)			

Teaching

- Places: Le Mans University, Paris School of Economics, University of Paris 1, Paris Dauphine University, Higher School of Economics (Moscow), Charles University (Prague), University of Paris 9 - Dauphine.
- Courses: Micro (Introductory), Macro (Introductory, intermediate, graduate), Labor (intermediate, graduate), Applied econometrics (graduate)
